PROFESSIONAL PROFILE

Motivated Civil Engineering student at Khwopa College of Engineering, affiliated with Tribhuvan University, with the seventh semester completed and expected graduation in 2028. Interested in bridge engineering, building design, structural analysis, and construction practices. Possess foundational skills in AutoCAD, ETABS, SketchUp, MS Excel, MS Word, and Python programming. Eager to gain practical industry experience, learn from experienced professionals, and contribute to engineering projects through technical knowledge, attention to detail, and a willingness to learn.

EDUCATION

Bachelor's in civil engineering
Khwopa College of Engineering
Affiliated with Tribhuvan University

- Current academic status: Seventh semester completed
- Expected graduation: 2028

Grade 12 / +2

- GPA: 3.21

Secondary Education Examination (SEE)

- GPA: 3.45

TECHNICAL SKILLS

Engineering Software

- AutoCAD
- ETABS
- SketchUp

Computer and Office Applications

- MS Excel
- MS Word
- General computer and internet skills

Programming

- Python programming language

ACADEMIC PROJECT

Bridge Engineering Project — Ongoing

Currently working on a bridge-related academic project as part of my Civil Engineering studies. The project is helping me develop my understanding of bridge engineering concepts and their practical application in infrastructure development.

AREAS OF INTEREST

- Bridge engineering and infrastructure development
- Building design and construction
- Structural analysis and design
- Construction site supervision and practices
- Quantity estimation and cost estimation
- Engineering calculations and technical documentation

PROFESSIONAL STRENGTHS

- Problem-solving and logical thinking
- Attention to detail
- Computer literacy and technical adaptability
- Willingness to learn new tools and techniques
- Responsible and organized approach to assigned tasks
- Ability to work independently and collaboratively

WORK EXPERIENCE

Entry-Level Candidate

Currently seeking an opportunity to gain practical experience in the civil engineering industry. Although I have no formal work experience yet, I am eager to learn, accept

responsibilities, and support engineering professionals with technical and project-related tasks.

LANGUAGES

- Nepali
- English
- Hindi
- Newari

AVAILABILITY

- **Work availability:** Flexible
- **Work arrangement:** Open to both on-site and remote work
- **Preferred opportunity:** Civil Engineering Intern / Assistant

CAREER OBJECTIVE

To begin my professional career in civil engineering with an opportunity to apply my academic knowledge, develop practical engineering skills, and contribute to meaningful construction and infrastructure projects while learning from experienced professionals.
